SECTION 56. IC 20-23-4-19, AS AMENDED BY P.L.2-2006, SECTION 93, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 19. (a) If the creation of a community school corporation out of an existing corporation:

the state board may on its own motion or on petition of the governing body of the existing school corporation at any time with hearing in the county where the school corporation is located, after notice by publication at least once in one (1) newspaper of general circulation published in the county where the school corporation is located, at least ten (10) but not more than thirty (30) days before the date of a hearing, and without action of the county committee declare the existing school corporation to be a community school corporation by adopting a resolution to this effect. The existing school corporation qualifies as to size and financial resources if it has an ADA of at least two hundred seventy (270) students in grades 9 through 12 or at least one thousand (1,000) students in grades 1 through 12, and has an assessed valuation per student of at least five thousand dollars (\$5,000).

(b) For purposes of this section, the following terms have the following meanings:

(1) "County tax" means a property tax:

(A) that is levied at an equal rate in the entire county in which any school corporation is located, other than a tax qualifying as a countywide tax within the meaning of Acts 1959, c.328, s.2, or any similar statute; and

(B) for which the net proceeds of which are distributed to school corporations in the county.

(2) "Assessed valuation" of any school corporation means the net assessed value of its real and personal property as of March 1, 1964, adjusted in the same manner as the assessed valuation is adjusted for each county by the department of local government finance under Acts 1949, c.247, s.5, as amended, unless that statute has been repealed or no longer provides for an adjustment. If a county has a county tax, the assessed valuation of each school corporation in the county shall be increased by the amount of assessed valuation, if any, that would be required to raise an amount of money, equal to the excess of the amount distributed to any school corporation from the county tax over the amount collected from the county tax in the school corporation, using total taxes levied by the school corporation in terms of rate:

(A) excluding the countywide tax under Acts 1959, c.328, s.2, or any similar statute; and

(B) including all other taxes levied by or for the school corporation.

The increased valuation shall be based on the excess distributed to the school corporation from the county tax levied for the year 1964 and the total taxes levied for the year, or if the county tax is first applied or is raised for years after 1964, then the excess distributions and total taxes levied for the year in which the tax is first applied or raised. If the excess distribution and total taxes levied cannot be determined accurately on or before the adoption of the resolution provided in this section, excess distribution and taxes levied shall be estimated by the department of local government finance using the last preceding assessed valuations and tax rates or such other information as that department determines, certifying the increased assessment to the state board before such time. In all cases, the excess distribution shall be determined upon the assumption that the county tax is one hundred percent (100%) collected and all collections are distributed.

(3) "Assessed valuation per student" of any school corporation means the assessed valuation of any school corporation divided by its ADA in grades 1 through 12.

(4) "ADA" in any school corporation means the average daily attendance of students who are residents in the school corporation and in the particular grades to which the term refers for the school year 1964-1965 in accordance with the applicable regulations of the state superintendent, used in determining average daily attendance in the distribution of the tuition funds by the state to its various school corporations where funds are distributed on such basis and irrespective of whether the figures are the actual resident daily attendance of the school for the school year.

(c) The community school corporation automatically comes into being on either July 1 or January 1 following the date of approval, whichever is earlier. The state board shall mail by certified mail, return receipt requested, a copy of the resolution certified by the county committee's chairperson or secretary to:

- (1) the recorder of the county from which the county committee having jurisdiction of the existing school corporation was appointed; and
- (2) the county committee.

The resolution may change the time of election or appointment of the board of trustees of the school corporation or the time the trustees take office. The recorder shall without cost record the certified resolution in

the miscellaneous records of the county. The recording constitutes a permanent record of the action of the state board and may be relied on by any person. Unless the resolution provides that an interim member of the board of trustees shall not be appointed, the board of trustees in office on the date of the action continues to constitute the board of trustees of the school corporation until their successors are qualified, and the terms of their respective office and board membership remain unchanged except to the extent the resolution otherwise provides. For purposes of this chapter and IC 20-23-16-1 through ~~IC 20-23-16-11~~, **IC 20-23-16-5**, a community school corporation shall be regarded as a school corporation created under section 16 of this chapter.

SECTION 65. IC 20-23-6-18 IS REPEALED [EFFECTIVE JULY 1, 2015]. Sec. 18: (a) Before January 1, 2011, Prairie Township School Corporation shall reorganize by consolidating with an adjacent school corporation under this chapter:

(b) If the governing body of Prairie Township School Corporation does not comply with this section before January 1, 2011, the state board shall, after December 31, 2010, develop a reorganization plan for the school corporation and require the governing body to implement the plan:

SECTION 66. IC 20-23-7-2, AS ADDED BY P.L.1-2005, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 2. (a) In any county or adjoining counties at least two (2) school corporations, including ~~school townships~~, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, or community school corporations, regardless of whether the consolidating school corporations are of the same or of a different character, may consolidate into one (1) metropolitan school district. Subject to subsection (h), the consolidation must be initiated by following either of the following procedures:

(1) The ~~township trustee~~, board of school trustees, board of education, or other governing body (the ~~trustee~~, board or other governing body is referred to elsewhere in this section as the "governing body") of each school corporation to be consolidated shall:

(A) adopt substantially identical resolutions providing for the consolidation; and

(B) publish a notice setting out the text of the resolution one (1) time under IC 5-3-1.

The resolution must set forth any provision for staggering the terms of the board members of the metropolitan school district elected under this chapter. If, not more than thirty (30) days after publication of the resolution, a petition of protest, signed by at least twenty percent (20%) of the registered voters residing in the

school corporation is filed with the clerk of the circuit court of each county where the voters who are eligible to sign the petition reside, a referendum election shall be held as provided in subsection (c).

(2) Instead of the adoption of substantially identical resolutions in each of the proposed consolidating school corporations under subdivision (1), a referendum election under subsection (c) shall be held on the occurrence of all of the following:

(A) At least twenty percent (20%) of the registered voters residing in a particular school corporation sign a petition requesting that the school corporation consolidate with another school corporation (referred to in this subsection as "the responding school corporation").

(B) The petition described in clause (A) is filed with the clerk of the circuit court of each county where the voters who are eligible to sign the petition reside.

(C) Not more than thirty (30) days after the service of the petition by the clerk of the circuit court to the governing body of the responding school corporation under subsection (b) and the certification of signatures on the petition occurs under subsection (b), the governing body of the responding school corporation adopts a resolution approving the petition and providing for the consolidation.

(D) An approving resolution has the same effect as the substantially identical resolutions adopted by the governing bodies under subdivision (1), and the governing bodies shall publish the notice provided under subdivision (1) not more than fifteen (15) days after the approving resolution is adopted. However, if a governing body that is a party to the consolidation fails to publish notice within the required fifteen (15) day time period, a referendum election still must be held as provided in subsection (c).

If the governing body of the responding school corporation does not act on the petition within the thirty (30) day period described in clause (C), the governing body's inaction constitutes a disapproval of the petition request. If the governing body of the responding school corporation adopts a resolution disapproving the petition or fails to act within the thirty (30) day period, a referendum election as described in subsection (c) may not be held and the petition requesting the consolidation is defeated.

(b) Any petition of protest under subsection (a)(1) or a petition requesting consolidation under subsection (a)(2) must show in the

petition the date on which each person has signed the petition and the person's residence on that date. The petition may be executed in several counterparts, the total of which constitutes the petition. Each counterpart must contain the names of voters residing within a single county and shall be filed with the clerk of the circuit court of the county. Each counterpart must have attached to it the affidavit of the person circulating the counterpart that each signature appearing on the counterpart was affixed in that person's presence and is the true and lawful signature of each person who made the signature. Any signer may file the petition or any counterpart of the petition. Each signer on the petition may before and may not after the filing with the clerk withdraw the signer's name from the petition. A name may not be added to the petition after the petition has been filed with the clerk. After the receipt of any counterpart of the petition, each circuit court clerk shall certify:

- (1) the number of persons signing the counterpart;
- (2) the number of persons who are registered voters residing within that part of the school corporation located within the clerk's county, as disclosed by the voter registration records in the office of the clerk or the board of registration of the county, or wherever registration records may be kept;
- (3) the total number of registered voters residing within the boundaries of that part of the school corporation located within the county, as disclosed in the voter registration records; and
- (4) the date of the filing of the petition.

Certification shall be made by each clerk of the circuit court not more than thirty (30) days after the filing of the petition, excluding from the calculation of the period any time during which the registration records are unavailable to the clerk, or within any additional time as is reasonably necessary to permit the clerk to make the certification. In certifying the number of registered voters, the clerk of the circuit court shall disregard any signature on the petition not made within the ninety (90) days immediately before the filing of the petition with the clerk as shown by the dates set out in the petition. The clerk of the circuit court shall establish a record of the certification in the clerk's office and shall serve the original petition and a copy of the certification on the county election board under IC 3-10-9-3 and the governing bodies of each affected school corporation. Service shall be made by mail or manual delivery to the governing bodies, to any officer of the governing bodies, or to the administrative office of the governing bodies, if any, and shall be made for all purposes of this section on the day of the mailing or the date of the manual delivery.

(c) The county election board in each county where the proposed metropolitan school district is located, acting jointly where the proposed metropolitan school district is created and where it is located in more than one (1) county, shall cause any referendum election required under either subsection (a)(1) or (a)(2) to be held in the entire proposed metropolitan district at a special election. The special election shall be not less than sixty (60) days and not more than ninety (90) days after the service of the petition of protest and certification by each clerk of the circuit court under subsection (a)(1) or (a)(2) or after the occurrence of the first action requiring a referendum under subsection (a)(2). However, if a primary or general election at which county officials are to be nominated or elected, or at which city or town officials are to be elected in those areas of the proposed metropolitan school district that are within the city or town, is to be held after the sixty (60) days and not more than six (6) months after the service or the occurrence of the first action, each election board may hold the referendum election with the primary or general election.

(d) Notice of the special election shall be given by each election board by publication under IC 5-3-1.

(e) Except where it conflicts with this section or cannot be practicably applied, IC 3 applies to the conduct of the referendum election. If the referendum election is not conducted at a primary or general election, the cost of conducting the election shall be charged to each component school corporation included in the proposed metropolitan school district in the same proportion as its assessed valuation bears to the total assessed valuation of the proposed metropolitan school district and shall be paid from any current operating fund of each component school corporation not otherwise appropriated, without appropriation.

(f) The question in the referendum election shall be placed on the ballot in the form prescribed by IC 3-10-9-4 and must state "Shall the school corporations of _____ be formed into one (1) metropolitan school district under IC 20-23-7?" (in which blanks the respective name of the school districts concerned will be inserted).

(g) If:

- (1) a protest petition with the required signatures is not filed after the adoption of substantially identical resolutions of the governing bodies providing for or approving the consolidation as described in subsection (a)(1); or
- (2) a referendum election occurs in the entire proposed metropolitan district and a majority of the voters in each proposed consolidating school corporation vote in the affirmative;

a metropolitan school district is created and comes into existence in the territory subject to the provisions and under the conditions described in this chapter. The boundaries include all of the territory within the school corporations, and it shall be known as "Metropolitan School District of _____, Indiana" (the name of the district concerned will be inserted in the blank). The name of the district shall be decided by a majority vote of the metropolitan governing board of the metropolitan school district at the first meeting. The metropolitan governing board of the new metropolitan school district shall be composed and elected under this chapter. The failure of any public official or body to perform any duty within the time provided in this chapter does not invalidate any proceedings taken by that official or body, but this provision shall not be construed to authorize a delay in the holding of a referendum election under this chapter.

(h) If the governing body of a school corporation is involved in a consolidation proposal under subsection (a)(1) or (a)(2) that fails to result in a consolidation, the:

- (1) governing body of the school corporation may not initiate a subsequent consolidation with another school corporation under subsection (a)(1); and
- (2) residents of the school corporation may not file a petition requesting a consolidation with another school corporation under subsection (a)(2);

for one (1) year after the date on which the prior consolidation proposal failed.

If the two (2) members are unable to agree on or do not make the appointment of a third board member within the ten (10) day period after the creation of the metropolitan school district,

the third member shall be appointed not more than twenty (20) days after the creation of the metropolitan school district by the judge of the circuit court of the county in which the metropolitan school district is located. If the metropolitan school district is located in two (2) or more counties, the judge of the circuit court of the county containing that part of the metropolitan school district having more students than the part or parts located in another county or counties shall appoint the third member. When a metropolitan school district is formed, the metropolitan superintendent shall act as administrator of the board and shall carry out the acts and duties as designated by the board. (g) The metropolitan board of education shall have the power to pay to a member of the board:

- (1) a reasonable per diem for service on the board not to exceed one hundred twenty-five dollars (\$125) per year; and
- (2) for travel to and from a member's home to the place of the

meeting within the district, a sum for mileage equal to the amount per mile paid to state officers and employees. The rate per mile shall change when the state government changes its rate per mile.

(d) As used in this section, "township trustee" means the township trustee of the township in which the school township is located:

A metropolitan school district created under this section shall have the same boundaries as the school township. After a district has been created under this section, the school township that preceded the metropolitan school district is abolished. The procedures or provisions governing the creation of a metropolitan school district under another section of this chapter do not apply to the creation of a district under this section. After a metropolitan school district is created under this section, the district shall, except as otherwise provided in this section, be governed by and

operate in accordance with this chapter governing the operation of a metropolitan school district as established under section 2 of this chapter.

(f) Except as provided in subsection (g), a metropolitan school district provided for in subsection (e) may be created in the following manner:

(1) The township trustee shall call a meeting of the township board. At the meeting, the township trustee and a majority of the township board shall adopt a resolution that a metropolitan school district shall be created in the school township. The township trustee shall then give notice:

If, however, on or before the twenty-ninth day after the date of the last publication of the notice, a number of registered voters of the school township, equal to five percent (5%) or more of the number of votes cast in the school township for secretary of state at the last preceding general election for that office, sign and file with the township trustee a petition requesting an election in the school township to determine whether or not a metropolitan school district must be created in the township in accordance with the preliminary resolution; then an election must be held as provided in subsection (h). The preliminary resolution and confirming resolution provided in this subsection shall both be adopted at a meeting of the township trustee and township board in which the township trustee and each member of the township board received or waived a written notice of the date, time, place, and purpose of the meeting. The resolution and the proof of service or waiver of the notice shall be made a part of the records of the township board.

(g) Except as provided in subsection (f), a metropolitan school district may also be created in the following manner:

township for secretary of state at the last general election for that office; shall sign and file with the township trustee a petition requesting the creation of a metropolitan school district under this section.

(2) The township trustee and a majority of the township board shall; not more than ten (10) days after the filing of a petition:

(A) adopt a preliminary resolution that a metropolitan school district shall be created in the school township and proceed as provided in subsection (f); or

(B) adopt a resolution disapproving the creation of the district.

(3) If either the township trustee or a majority of township board members vote in favor of disapproving the resolution; an election must be held to determine whether or not a metropolitan school district shall be created in the school township in the same manner as is provided in subsection (f) if an election is requested by petition.

(h) An election required under subsection (f) or (g) may; at the option of the township trustee; be held either as a special election or in conjunction with a primary or general election to be held not more than one hundred twenty (120) days after the filing of a petition under subsection (f) or the adoption of the disapproving resolution under subsection (g). The township trustee shall certify the question to the county election board under IC 3-10-9-3 and give notice of an election:

(1) by two (2) publications one (1) week apart in a newspaper of general circulation in the school township; or

(2) if a newspaper described in subdivision (1) does not exist; in a newspaper of general circulation published in the county.

The notice must provide that on a day and time named in the notice; the polls shall be opened at the usual voting places in the various precincts in the school township for the purpose of taking the vote of the registered voters of the school township regarding whether a metropolitan school district shall be created in the township. The election shall be held not less than twenty (20) days and not more than thirty (30) days after the last publication of the notice unless a primary or general election will be conducted not more than six (6) months after the publication. In that case; the county election board shall place the public question on the ballot at the primary or general election. If the election is to be a special election; the township trustee shall give notice not more than thirty (30) days after the filing of the petition or the adoption of the disapproving resolution.

(i) On the day and time named in the notice; the polls shall be opened and the votes of the voters shall be taken regarding whether a

metropolitan school district shall be created in the school township. IC 3 governs the election except as otherwise provided in this chapter. The county election board shall conduct the election. (j) The votes cast in the election shall be canvassed at a place in the school township determined by the county election board. The certificate of the votes cast for and against the creation of a metropolitan school district shall be filed in the records of the township board and recorded with the county recorder. If the special election is not conducted at a primary or general election, the school township shall pay the expense of holding the election out of the school general fund that is appropriated for this purpose.

(k) A metropolitan school district shall, subject to section 7 of this chapter, be created on the thirtieth day after the date of the adoption of the confirming resolution under subsection (f) or an election held under subsection (h). If a public official fails to do the official's duty within the time prescribed in this section, the failure does not invalidate the proceedings taken under this section. An action to contest the validity of the creation of a metropolitan school district under this section or to enjoin the operation of a metropolitan school district may not be instituted later than the thirtieth day following the date of the adoption of the confirming resolution under subsection (f) or of the election held under subsection (h). Except as provided in this section, an election under this subsection may not be held sooner than twelve (12) months after another election held under subsection (h).

(l) A metropolitan school district is known as "The Metropolitan School District of _____ Township, _____ County, Indiana". The first metropolitan board of education in a metropolitan school district created under this section consists of five (5) members. (c) The capital cost for each class of school must consist of the lesser of the following alternatives:

- (1) The capital cost must be based on an amount equal to five percent (5%) of the cost of transferee corporation's physical plant, equipment, and all items connected to the physical plant or equipment, including:

If a transferred student is enrolled in a transferee corporation for less than the full school year, the transfer tuition shall be calculated by the proportion of such school year for which the transferred student is enrolled. A school year for this purpose consists of the number of days school is in session for student attendance. STEP ONE: Determine six and one-half percent (6 1/2%) of the adjusted value of taxable property in a school corporation as determined under IC 36-1-15-4 for state and county taxes immediately preceding the date of application.

While such insurance or such certificate remains in force, the employer or those conducting the employer's business and the employer's worker's compensation insurance carrier shall be liable to any employee and the employee's dependents for personal injury or death by accident arising out of and in the course of employment only to the extent and in the manner specified in IC 22-3-2 through IC 22-3-6.

(b) The state may not purchase worker's compensation insurance. The state may establish a program of self-insurance to cover its liability under this article. The state may administer its program of self-insurance or may contract with any private agency, business firm, limited liability company, or corporation to administer any part of the program. The state department of insurance may, in the manner prescribed by IC 4-22-2, adopt the rules necessary to implement the state's program of self-insurance.

SECTION 320. IC 22-3-7-34, AS AMENDED BY P.L.1-2006, SECTION 343, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 34. (a) As used in this section, "person" does not include:

- (1) an owner who contracts for performance of work on the owner's owner occupied residential property; or
- (2) a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) Every employer bound by the compensation provisions of this chapter, except the state, counties, townships, cities, towns, school cities, school towns, ~~school townships~~, other municipal corporations, state institutions, state boards, and state commissions, shall insure the

payment of compensation to the employer's employees and their dependents in the manner provided in this chapter, or procure from the worker's compensation board a certificate authorizing the employer to carry such risk without insurance. While that insurance or certificate remains in force, the employer, or those conducting the employer's business, and the employer's occupational disease insurance carrier shall be liable to any employee and the employee's dependents for disablement or death from occupational disease arising out of and in the course of employment only to the extent and in the manner specified in this chapter.

(c) Every employer who, by election, is bound by the compensation provisions of this chapter, except those exempted from the provisions by subsection (b), shall:

(1) insure and keep insured the employer's liability under this chapter in some corporation, association, or organization authorized to transact the business of worker's compensation insurance in this state; or

(2) furnish to the worker's compensation board satisfactory proof of the employer's financial ability to pay the compensation in the amount and manner and when due as provided for in this chapter.

In the latter case the board may require the deposit of an acceptable security, indemnity, or bond to secure the payment of compensation liabilities as they are incurred.

(d) Every employer required to carry insurance under this section shall file with the worker's compensation board in the form prescribed by it, within ten (10) days after the termination of the employer's insurance by expiration or cancellation, evidence of the employer's compliance with subsection (c) and other provisions relating to the insurance under this chapter. The venue of all criminal actions under this section lies in the county in which the employee was last exposed to the occupational disease causing disablement. The prosecuting attorney of the county shall prosecute all violations upon written request of the board. The violations shall be prosecuted in the name of the state.

(e) Whenever an employer has complied with subsection (c) relating to self-insurance, the worker's compensation board shall issue to the employer a certificate which shall remain in force for a period fixed by the board, but the board may, upon at least thirty (30) days notice, and a hearing to the employer, revoke the certificate, upon presentation of satisfactory evidence for the revocation. After the revocation, the board may grant a new certificate to the employer upon the employer's petition, and satisfactory proof of the employer's financial ability.

(f)(1) Subject to the approval of the worker's compensation board, any employer may enter into or continue any agreement with the employer's employees to provide a system of compensation, benefit, or insurance in lieu of the compensation and insurance provided by this chapter. A substitute system may not be approved unless it confers benefits upon employees and their dependents at least equivalent to the benefits provided by this chapter. It may not be approved if it requires contributions from the employees unless it confers benefits in addition to those provided under this chapter, which are at least commensurate with such contributions.

(f)(2) The substitute system may be terminated by the worker's compensation board on reasonable notice and hearing to the interested parties, if it appears that the same is not fairly administered or if its operation shall disclose latent defects threatening its solvency, or if for any substantial reason it fails to accomplish the purpose of this chapter. On termination, the board shall determine the proper distribution of all remaining assets, if any, subject to the right of any party in interest to take an appeal to the court of appeals.

(g)(1) No insurer shall enter into or issue any policy of insurance under this chapter until its policy form has been submitted to and approved by the worker's compensation board. The board shall not approve the policy form of any insurance company until the company shall file with it the certificate of the insurance commissioner showing that the company is authorized to transact the business of worker's compensation insurance in Indiana. The filing of a policy form by any insurance company or reciprocal insurance association with the board for approval constitutes on the part of the company or association a conclusive and unqualified acceptance of each of the compensation provisions of this chapter, and an agreement by it to be bound by the compensation provisions of this chapter.

(g)(2) All policies of insurance companies and of reciprocal insurance associations, insuring the payment of compensation under this chapter, shall be conclusively presumed to cover all the employees and the entire compensation liability of the insured under this chapter in all cases in which the last day of the exposure rendering the employer liable is within the effective period of such policy.

(g)(3) Any provision in any such policy attempting to limit or modify the liability of the company or association insuring the same shall be wholly void.

(g)(4) Every policy of any company or association shall be deemed to include the following provisions:

"(A) The insurer assumes in full all the obligations to pay

physician's fees, nurse's charges, hospital supplies, burial expenses, compensation or death benefits imposed upon or accepted by the insured under this chapter.

(B) This policy is subject to the provisions of this chapter relative to the liability of the insured to pay physician's fees, nurse's charges, hospital services, hospital supplies, burial expenses, compensation or death benefits to and for such employees, the acceptance of such liability by the insured, the adjustment, trial and adjudication of claims for such physician's fees, nurse's charges, hospital services, hospital supplies, burial expenses, compensation, or death benefits.

(C) Between this insurer and the employee, notice to or knowledge of the occurrence of the disablement on the part of the insured (the employer) shall be notice or knowledge thereof, on the part of the insurer. The jurisdiction of the insured (the employer) for the purpose of this chapter is the jurisdiction of this insurer, and this insurer shall in all things be bound by and shall be subject to the awards, judgments and decrees rendered against the insured (the employer) under this chapter.

(D) This insurer will promptly pay to the person entitled to the same all benefits conferred by this chapter, including all physician's fees, nurse's charges, hospital services, hospital supplies, burial expenses, and all installments of compensation or death benefits that may be awarded or agreed upon under this chapter. The obligation of this insurer shall not be affected by any default of the insured (the employer) after disablement or by any default in giving of any notice required by this policy, or otherwise. This policy is a direct promise by this insurer to the person entitled to physician's fees, nurse's charges, fees for hospital services, charges for hospital services, charges for hospital supplies, charges for burial, compensation, or death benefits, and shall be enforceable in the name of the person.

(E) Any termination of this policy by cancellation shall not be effective as to employees of the insured covered hereby unless at least thirty (30) days prior to the taking effect of such cancellation, a written notice giving the date upon which such termination is to become effective has been received by the worker's compensation board of Indiana at its office in Indianapolis, Indiana.

(F) This policy shall automatically expire one (1) year from the effective date of the policy, unless the policy covers a period of three (3) years, in which event, it shall automatically expire three

(3) years from the effective date of the policy. The termination either of a one (1) year or a three (3) year policy, is effective as to the employees of the insured covered by the policy."

(g)(5) All claims for compensation, nurse's charges, hospital services, hospital supplies, physician's fees, or burial expenses may be made directly against either the employer or the insurer or both, and the award of the worker's compensation board may be made against either the employer or the insurer or both.

(g)(6) If any insurer shall fail to pay any final award or judgment (except during the pendency of an appeal) rendered against it, or its insured, or, if it shall fail to comply with this chapter, the worker's compensation board shall revoke the approval of its policy forms, and shall not accept any further proofs of insurance from it until it shall have paid the award or judgment or complied with this chapter, and shall have resubmitted its policy form and received the approval of the policy by the worker's compensation board.

(h) No policy of insurance covering the liability of an employer for worker's compensation shall be construed to cover the liability of the employer under this chapter for any occupational disease unless the liability is expressly accepted by the insurance carrier issuing the policy and is endorsed in that policy. The insurance or security in force to cover compensation liability under this chapter shall be separate from the insurance or security under IC 22-3-2 through IC 22-3-6. Any insurance contract covering liability under either part of this article need not cover any liability under the other.

(i) For the purpose of complying with subsection (c), groups of employers are authorized to form mutual insurance associations or reciprocal or interinsurance exchanges subject to any reasonable conditions and restrictions fixed by the department of insurance. This subsection does not apply to mutual insurance associations and reciprocal or interinsurance exchanges formed and operating on or before January 1, 1991, which shall continue to operate subject to the provisions of this chapter and to such reasonable conditions and restrictions as may be fixed by the worker's compensation board.

(j) Membership in a mutual insurance association or a reciprocal or interinsurance exchange so proved, together with evidence of the payment of premiums due, is evidence of compliance with subsection (c).

(k) Any person bound under the compensation provisions of this chapter, contracting for the performance of any work exceeding one thousand dollars (\$1,000) in value, in which the hazard of an occupational disease exists, by a contractor subject to the compensation

provisions of this chapter without exacting from the contractor a certificate from the worker's compensation board showing that the contractor has complied with subsections (b), (c), and (d), shall be liable to the same extent as the contractor for compensation, physician's fees, hospital fees, nurse's charges, and burial expenses on account of the injury or death of any employee of such contractor, due to occupational disease arising out of and in the course of the performance of the work covered by such contract.

(l) Any contractor who sublets any contract for the performance of any work to a subcontractor subject to the compensation provisions of this chapter, without obtaining a certificate from the worker's compensation board showing that the subcontractor has complied with subsections (b), (c), and (d), is liable to the same extent as the subcontractor for the payment of compensation, physician's fees, hospital fees, nurse's charges, and burial expense on account of the injury or death of any employee of the subcontractor due to occupational disease arising out of and in the course of the performance of the work covered by the subcontract.

(m) A person paying compensation, physician's fees, hospital fees, nurse's charges, or burial expenses, under subsection (k) or (l), may recover the amount paid or to be paid from any person who would otherwise have been liable for the payment thereof and may, in addition, recover the litigation expenses and attorney's fees incurred in the action before the worker's compensation board as well as the litigation expenses and attorney's fees incurred in an action to collect the compensation, medical expenses, and burial expenses.

(n) Every claim filed with the worker's compensation board under this section shall be instituted against all parties liable for payment. The worker's compensation board, in an award under subsection (k), shall fix the order in which such parties shall be exhausted, beginning with the immediate employer and, in an award under subsection (l), shall determine whether the subcontractor has the financial ability to pay the compensation and medical expenses when due and, if not, shall order the contractor to pay the compensation and medical expenses.

(a) Should for any cause any action of the board of directors or trustees of a corporation be invalid or ineffective in whole or in part as and for a cancellation or retirement of capital stock as provided in this chapter, then the entire act of cancellation or retirement as to all other stock shall be held null and void. If at any time after the transfer of any stock to the corporation or to the trustees or directors it becomes no longer possible for the corporation to operate the postsecondary educational institution as a postsecondary educational institution, and the fact is found to exist by the board of trustees or directors, the property and assets of the corporation vest in and belong absolutely to the local public school corporation within whose territorial limits the postsecondary educational institution is situated unless the local public school corporation elects to refuse to accept the property and assets in writing served upon the board of trustees or an officer thereof within one hundred twenty (120) days. If the local public school corporation elects to refuse to accept the property and assets, then the property and assets of the corporation vest in and belong absolutely to the county within whose territorial limits the postsecondary educational institution is situated unless the county, acting by its legislative body, elects to refuse to accept the property and assets in writing served upon the board of trustees or an officer within one hundred twenty (120) days.

If the county refuses to accept the property and assets, the property and assets vest in and belong absolutely to the state general fund. ~~If the postsecondary educational institution is situated in a school township, the election shall be made by the township executive with the approval of the township legislative body.~~ If situated in a school city or town corporation, the election shall be made by the school board of the municipality.

(b) The local school corporation receiving the property or assets is responsible for the payment of the lawful debts and liabilities of the corporation. For the purpose of raising funds to pay the debts and liabilities, the township executive, with the concurrence and sanction of the township legislative body, or the city or town school board, as the case may be, is authorized and empowered to issue and sell bonds of the ~~school township~~, school city or school town. The debt created by the bonds, together with all other indebtedness of the school corporation, may not exceed two percent (2%) of the adjusted value of the taxable property within the school corporation as determined under IC 36-1-15. If the building or property of the corporation vested in the school corporation is suitable for instructing students of the township in the arts of agriculture, domestic science, or physical or practical mental culture, and in which to hold school or civic entertainments or be used for township, town, or city purposes, then the township executive, with the concurrence and sanction of the township, city, or town legislative body, as the case may be, is authorized and empowered to issue and sell bonds of the civil township, city, or town, as the case may be, and apply the proceeds to the payment of the debts and liabilities of the corporation. The proceeds of the bonds, together with all other indebtedness of the civil township, city, or town, may not exceed two percent (2%) of the adjusted value of the taxable property within the civil township, city, or town, as determined under IC 36-1-15. Unless the ~~school and civil townships township~~ and school and civil cities and towns can liquidate the debts and liabilities without violating Article 13, Section 1 of the Constitution of the State of Indiana and IC 36-1-15, they shall elect to refuse to accept the property. Unless the county can liquidate the debts and liabilities without violating the constitutional provision, it shall elect to refuse the property. If a civil township, city, or town uses its funds or the proceeds of the sale of its bonds to liquidate the debts and liabilities, it shall have an interest in the property in the proportion the funds expended by it bear to the funds

expended by the ~~school township~~, school city, or school town.

(c) Any bonds issued under this chapter shall be payable in not more than twenty (20) years after the date of their issuance. The municipal corporation issuing the bonds shall annually levy a tax on all of the taxable property within the municipal corporation in an amount sufficient to pay the interest on and the principal of such bonds as they mature. The bonds may mature and be payable either semiannually or annually. Notice of sale of the bonds shall be published once each week for two (2) weeks in a newspaper published in the municipal corporation issuing the bonds, or in a newspaper published in the county seat of the county in which the municipal corporation is located. Additional notices may be published.

The advertising conducted by the auctioneer is in addition to any other notice required by law and shall include a detailed description of the property to be sold stating the key numbers, if any, of the tracts within that property. If the disposing agent determines that the best sale of the property can be made by letting the bidders determine certain conditions of the sale (such as required

The disposing agent shall give each bidder who has submitted a bid written notice of the time and place of the auction.

(f) The disposing agent may, before expiration of the time set out in the notice, sell the property to the highest and best bidder. The highest and best bidder must have complied with any requirement under subsection (c)(4). However, the disposing agent may sell the property for less than ninety percent (90%) of the average of the two (2) appraisals of the tracts only after an additional notice stating the amount of the bid to be accepted is published in accordance with IC 5-3-1. (g) If the disposing agent determines that, in the exercise of good business judgment, the disposing agent should hire a broker or auctioneer to sell the property, the disposing agent may do so and pay the broker or auctioneer a reasonable compensation out of the gross proceeds of the sale. A disposing agent may hire a broker to sell real property directly rather than using the bid process under subsections (c) through (f) if:

- (+) (A) the disposing agent publishes a notice of the determination to hire the broker in accordance with IC 5-3-1;
